

# Get cash back!

- Don't fall into the "refund-anticipated" loan trap; they charge additional fees plus administrative costs
- Start a financial plan and establish goals to improve your finances

## **You or someone you know could be eligible for a tax refund!**

Each year millions of dollars go unclaimed on tax returns. If your income is at or below \$55,952 you may qualify for a tax credit. You could owe less tax or get money back from the IRS.
