Dear Avista Trade Allies and Builders,

We appreciate your participation in the *Multifamily Natural Gas Incentive Program*, which has supported new construction projects in Avista's electric and natural gas service territory in Idaho for buildings with five or more units. Our rebate programs are designed to make energy efficient products accessible and affordable for our customers, and we value the important role you play in this effort.

We are writing to inform you that the *Multifamily Natural Gas Incentive Program* will be ending April 1, 2025. **All existing contracts will be honored.**

Please note that Avista continues to offer incentives for natural gas HVAC, water heating and commercial foodservice equipment through participating distributors. For more information:
