

POWER SQUARES

Hidden in each of these squares is a word related to saving energy. To find the word, you must move from letter to letter by going either up, down, across or diagonally. You can return to a letter more than once. And you might not use every letter in the square. **(See the first example for FURNACE.)**

Find These Words

- SWEATER
- CONSERVE
- THERMOSTAT
- WATTAGE
- ELECTRICITY
- FURNACE
- LED BULB
- ENERGY
- CURTAINS
