

PLAY IT ENERGY SAFE!

COLORING BOOK

with Edison and Wattson,
Avista's energy watchdog.

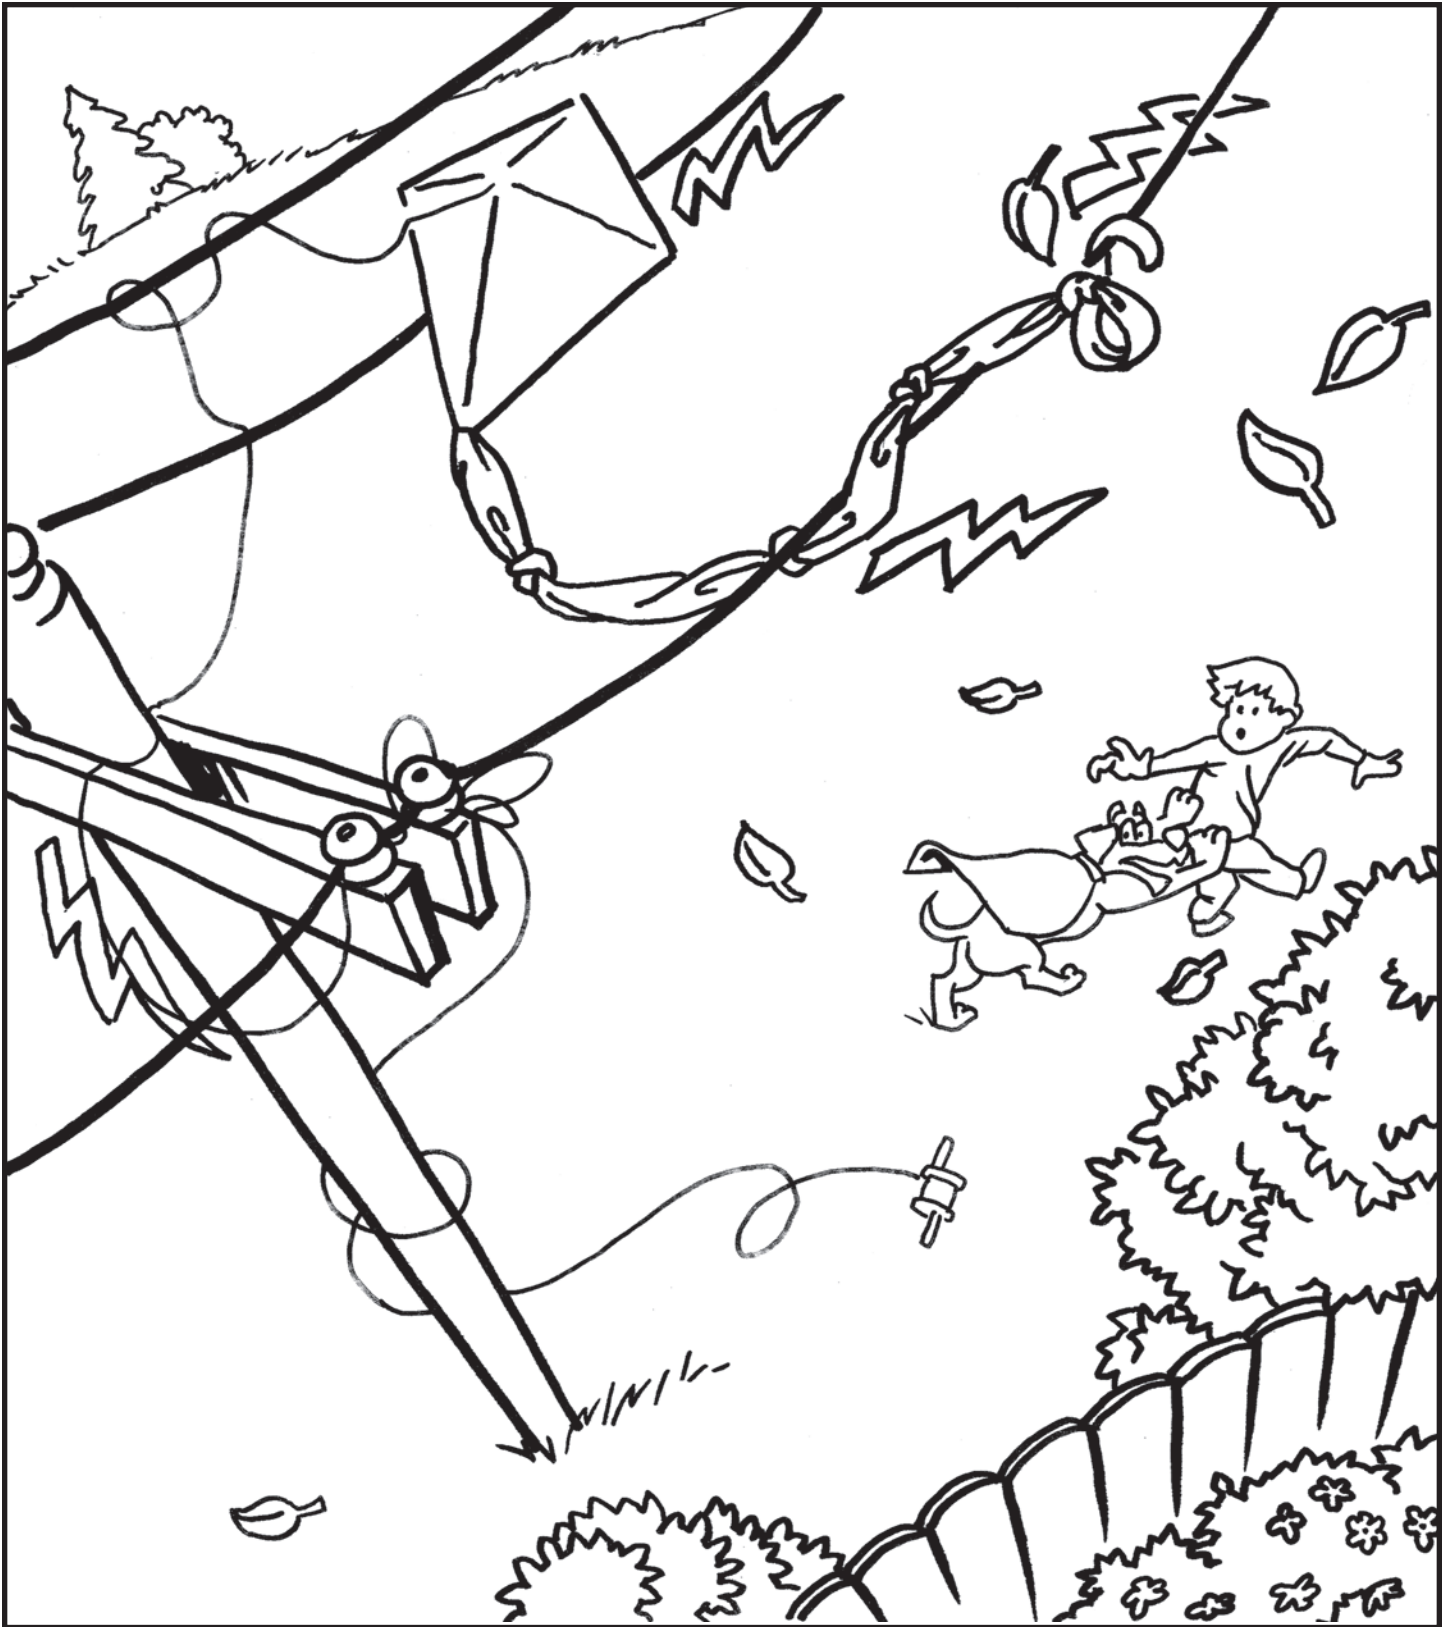

avistakids.com

Hey Kids!

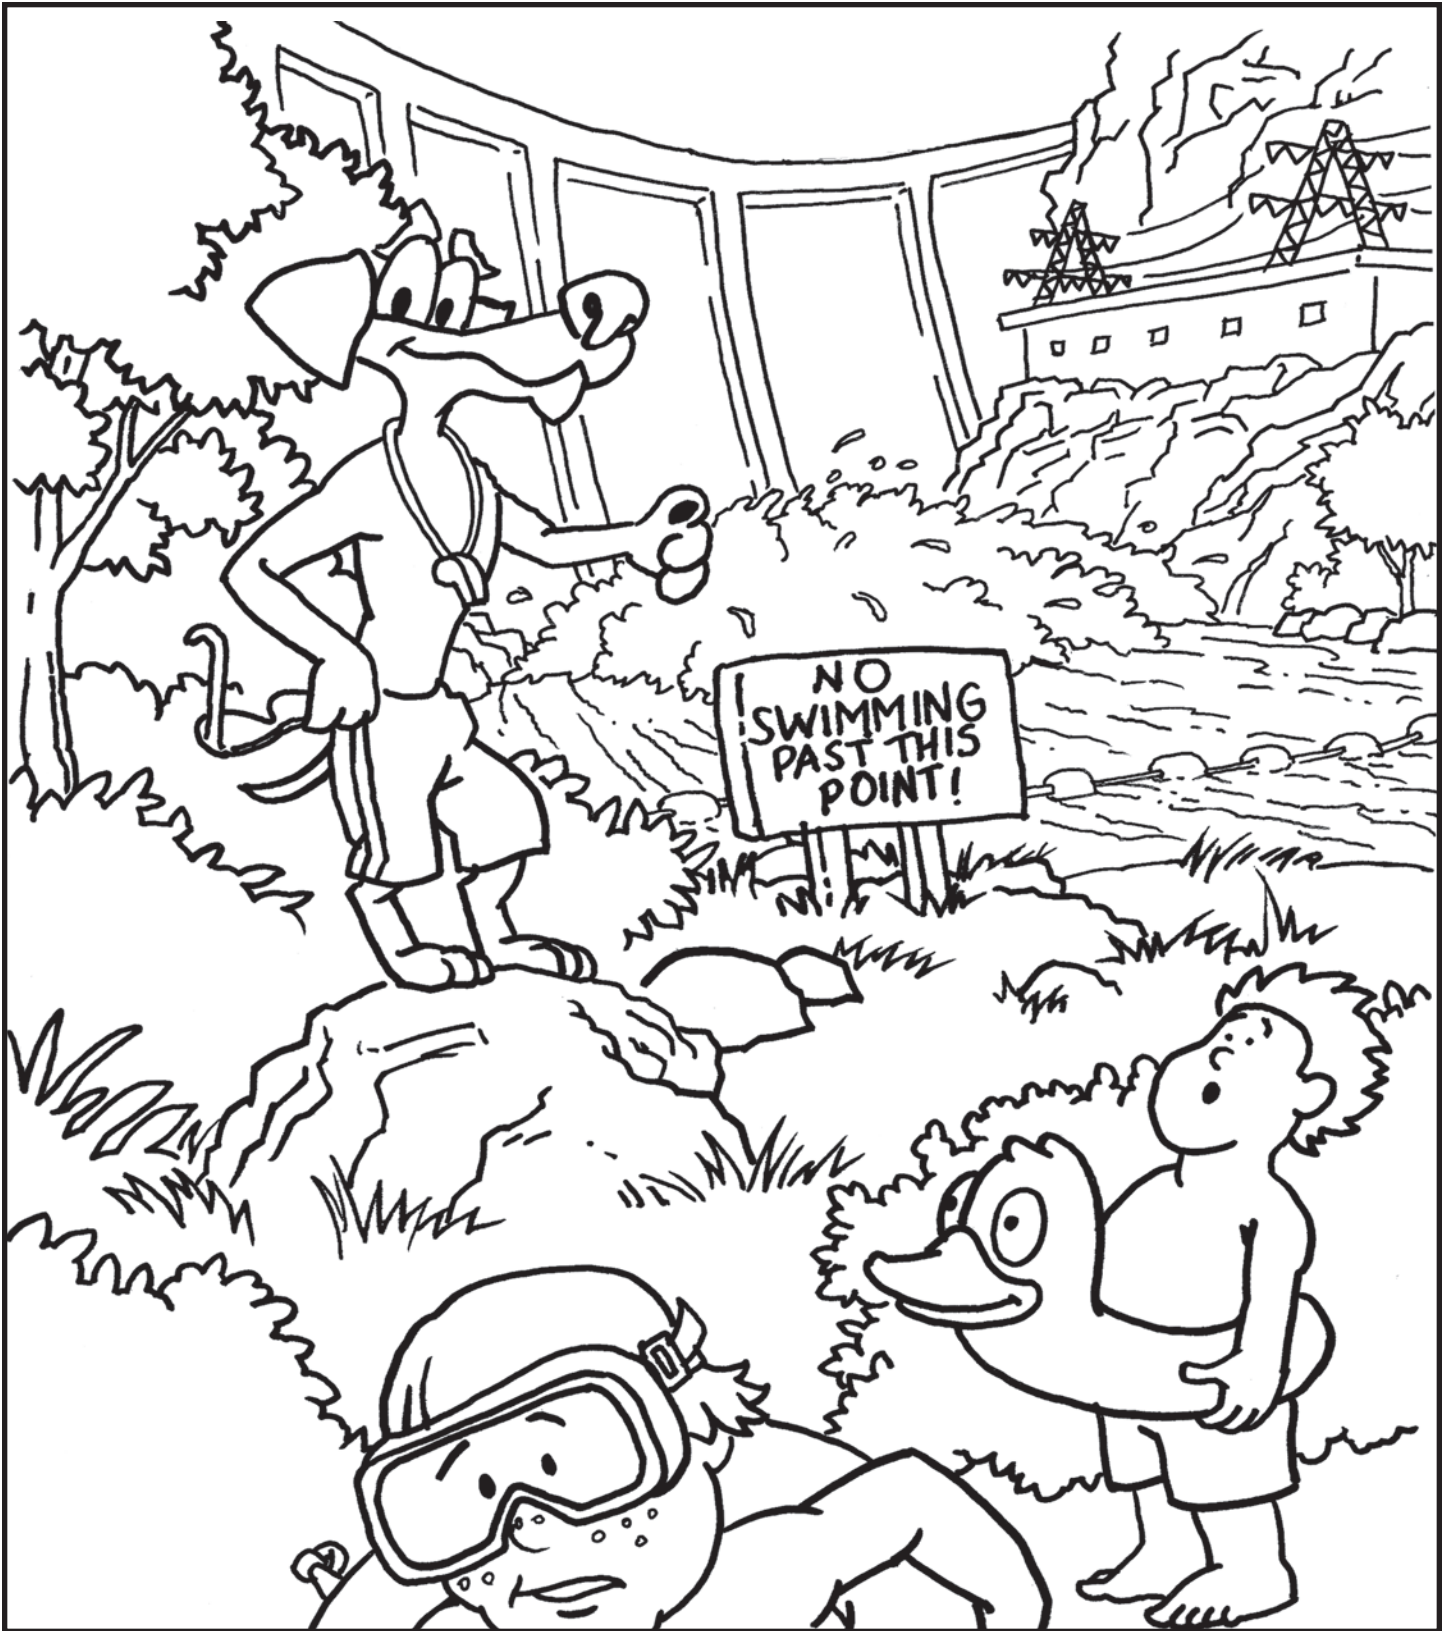

Let Wattson and me show you
how to be safe around energy.
Then go tell all your friends
how to keep safe, too.
You'll be an energy hero
just like Wattson.

Don't fly a kite near power lines.

Never swim, fish or play near a dam.

Stay away from power stations.

Keep off big green electricity boxes.

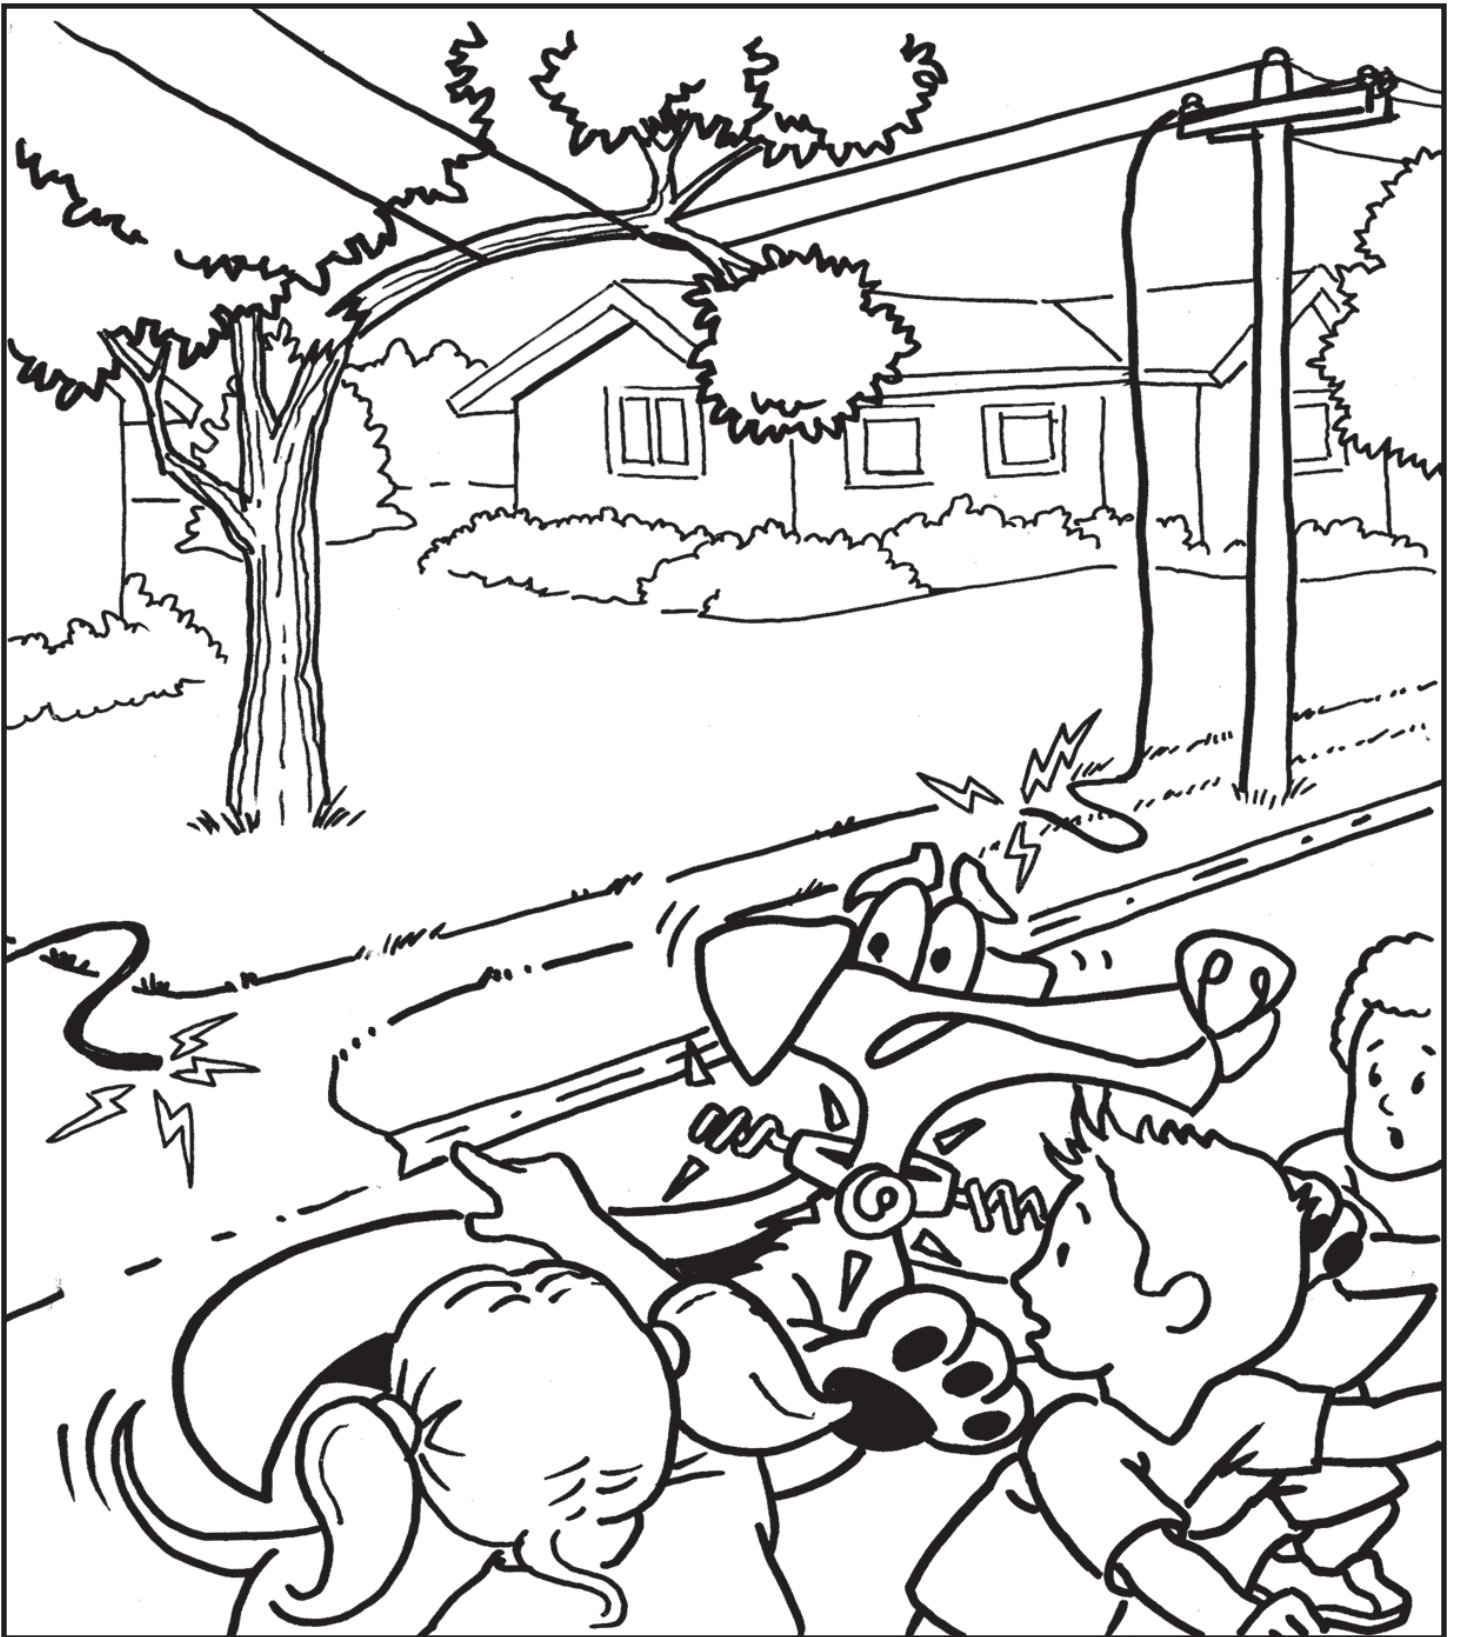

Have dad call 811 two days before he digs.

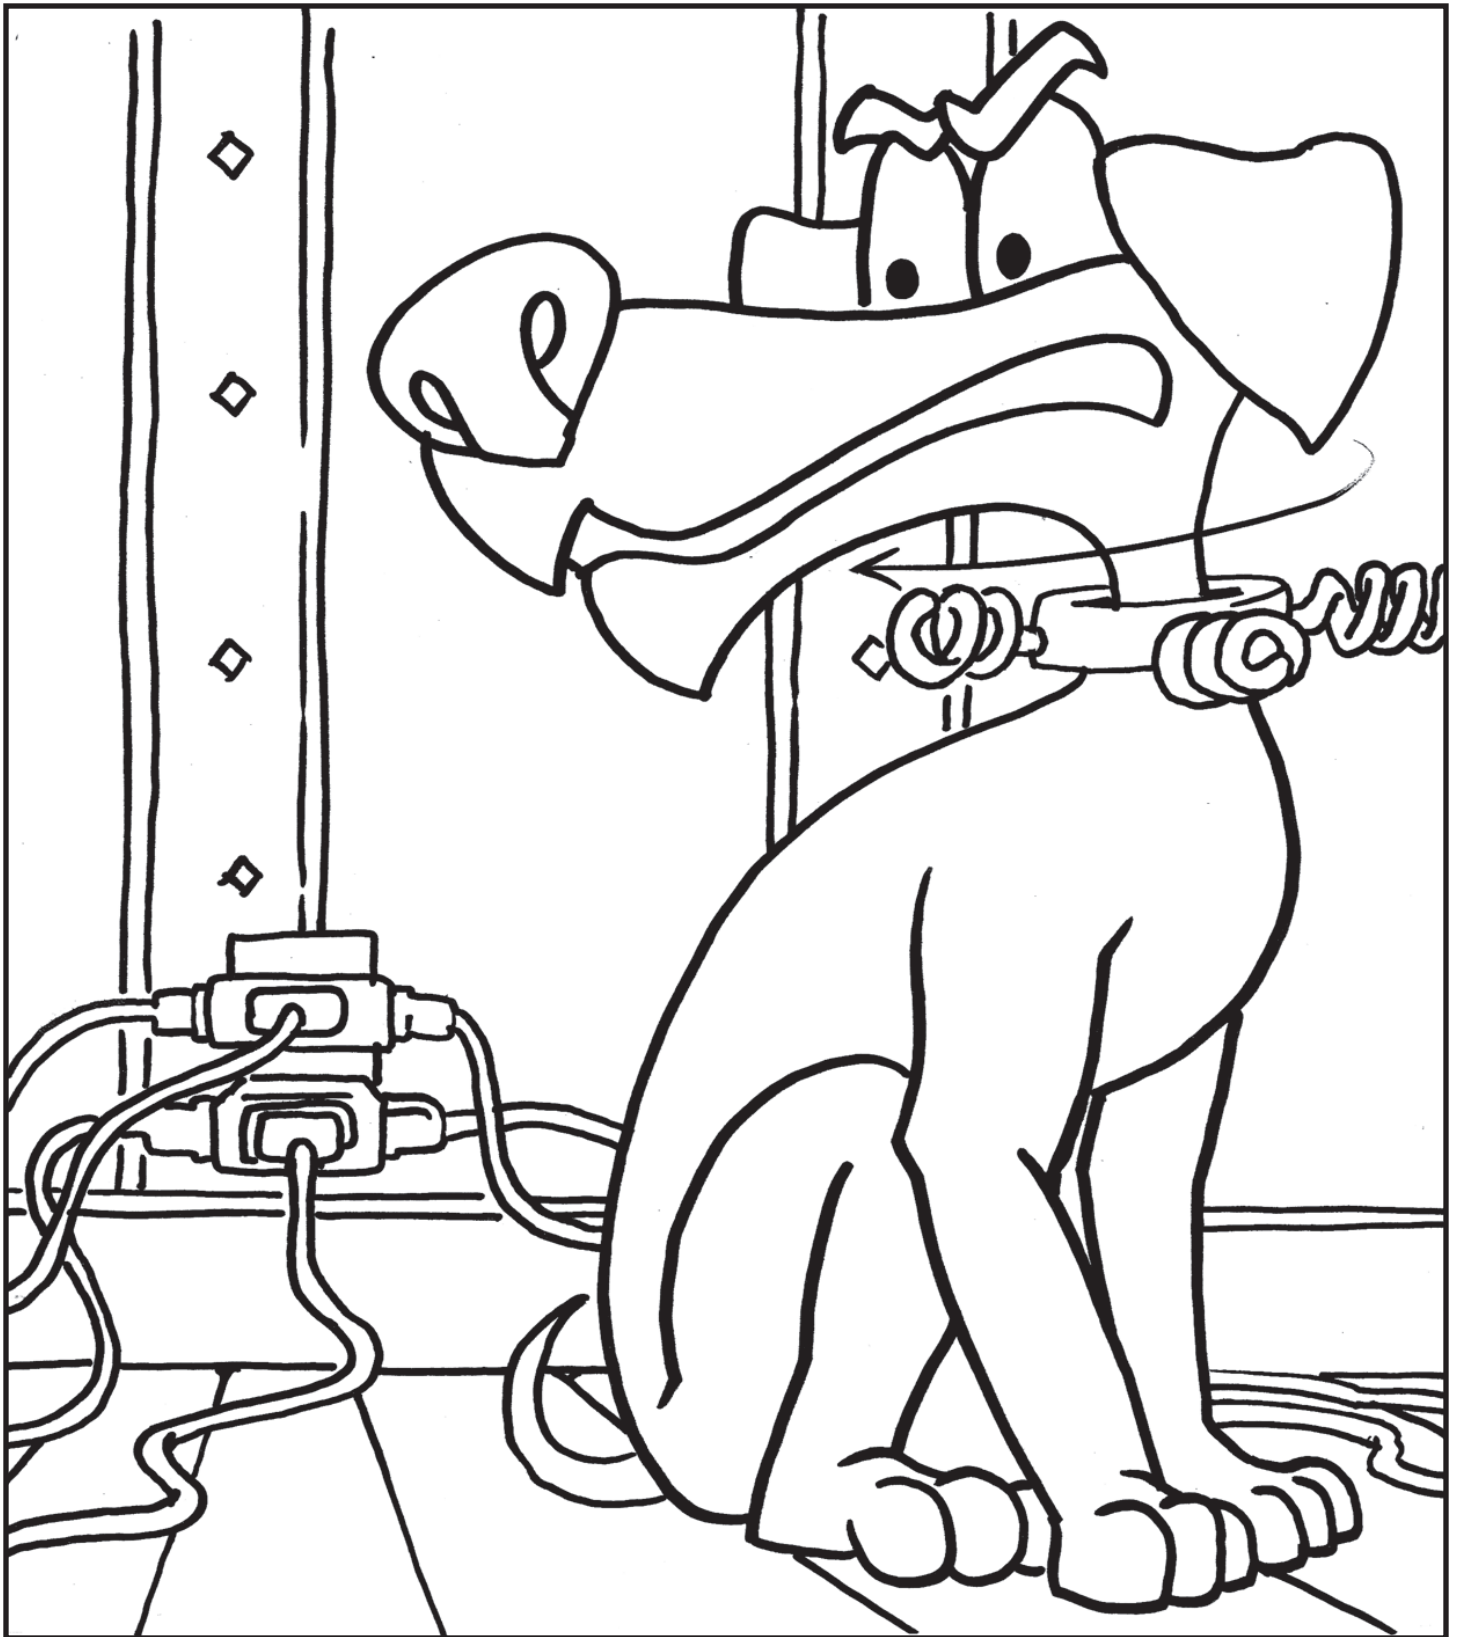

Get outside if you smell stinky natural gas!

Keep away from fallen power lines.

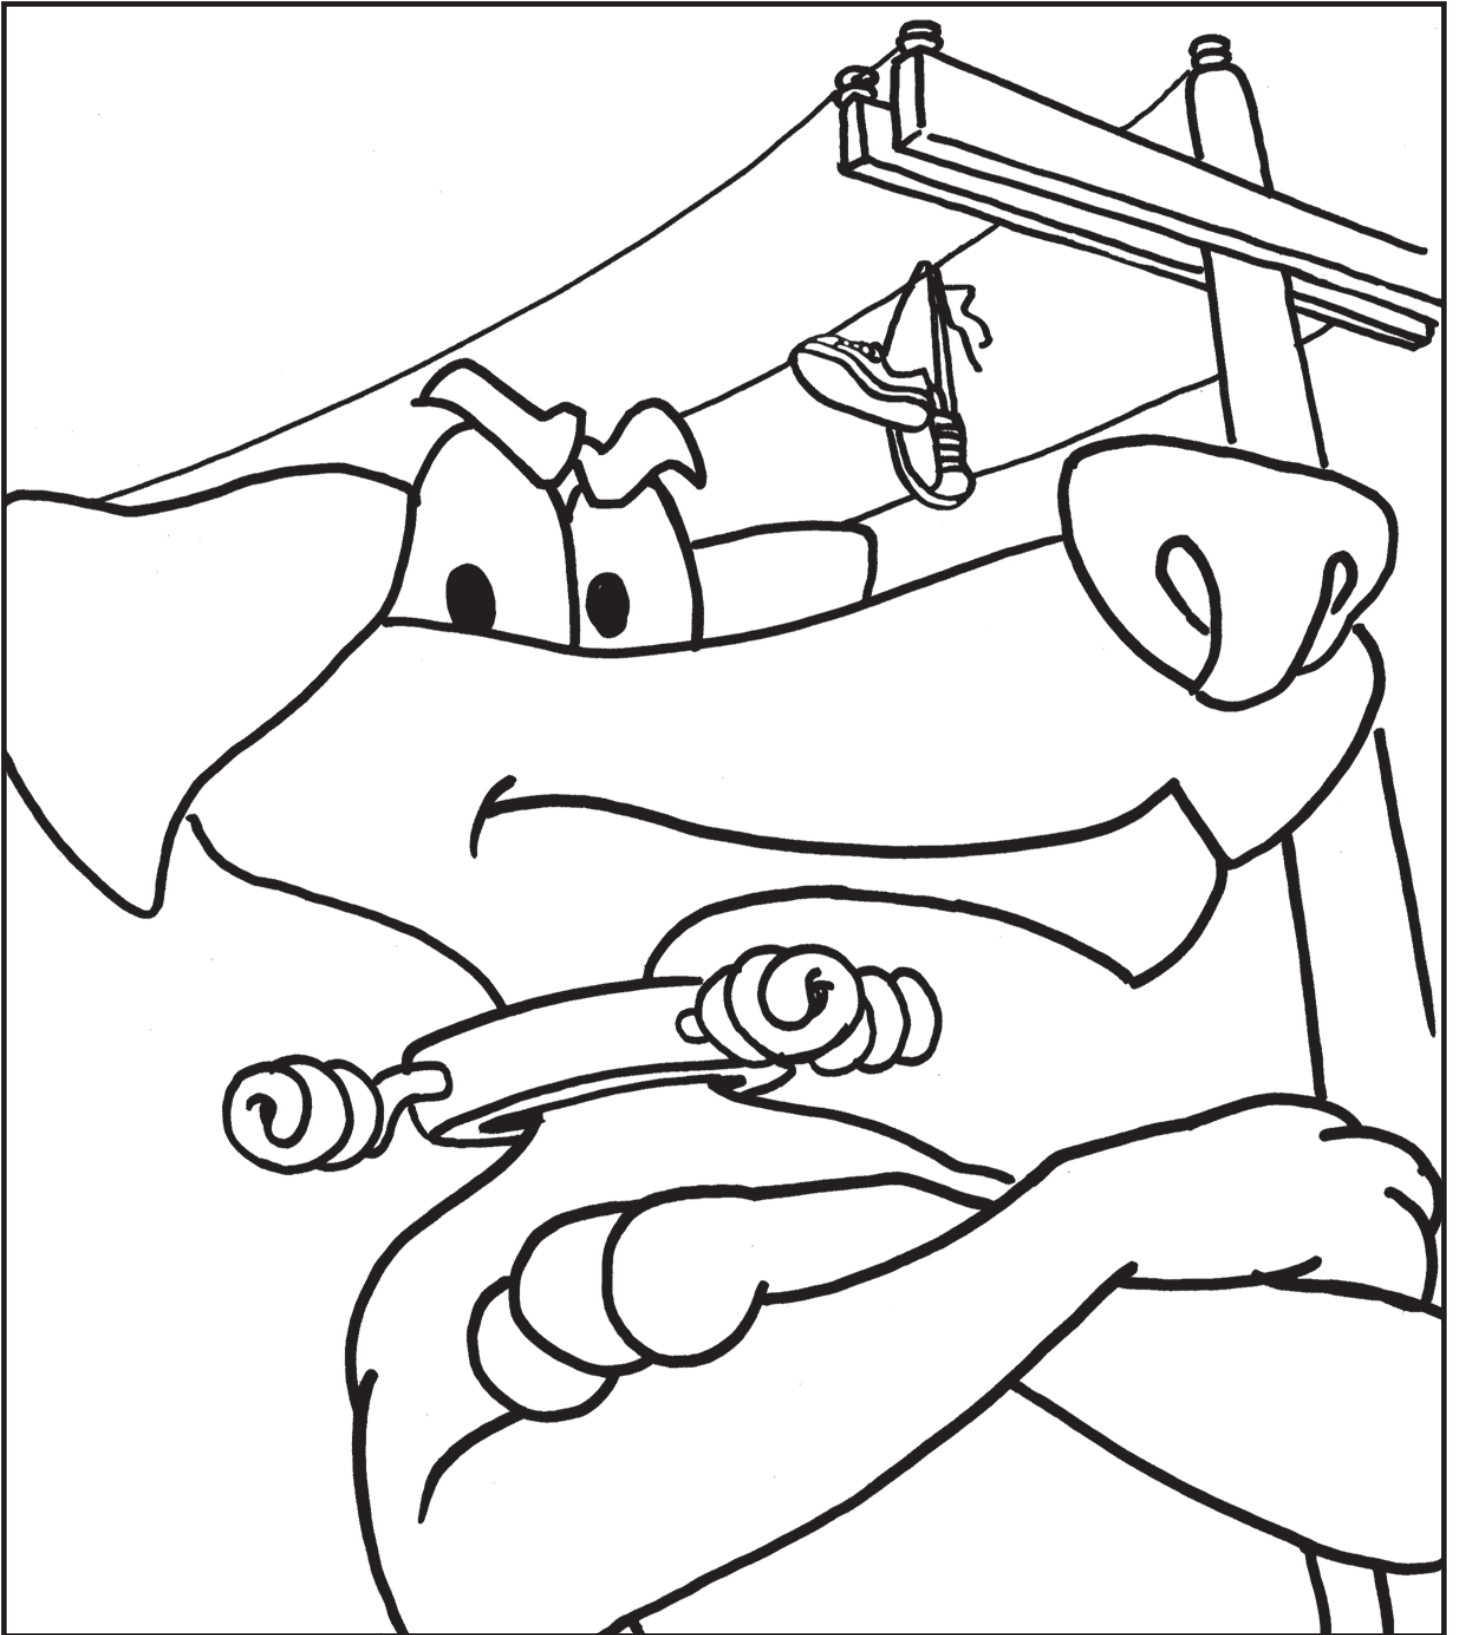

Stop! That is too many plugs in one outlet.

Don't climb power poles, trees or roofs that are near power lines.

Never throw things onto power lines.
