

The Avista logo, featuring the word "AVISTA" in a bold, white, sans-serif font with a stylized vertical line through the letter "V". It is set against a dark blue rectangular background.

**AVISTA**

Be alert  
to invisible  
carbon  
monoxide.

Purchase and  
install a carbon  
monoxide  
detector today.

Natural gas is non-toxic and is the cleanest burning fossil fuel available. But if natural gas isn't burned properly, say, because of a faulty furnace, it can emit carbon monoxide (CO), a colorless, odorless gas that can cause flu-like symptoms and even death. Be alerted when CO is present. Install a UL-listed carbon monoxide detector.

**We just want you to be safe.**

The Avista logo consists of a stylized 'A' made of horizontal lines, followed by the word 'VISTA' in a bold, sans-serif font. The logo is white and is set against a dark blue rectangular background. This background is part of a larger graphic element that includes a light blue bar above and an orange bar below.
