AVISTA[®]

Let Avista help you find the right home-energy contractor.

For your convenience, Avista has compiled a network of qualified local contractors and equipment dealers audited by a third-party industry association. All are licensed, bonded and insured, and meet high customer satisfaction standards.

To find a contractor or equipment dealer near you, try our online referral tool. Just select your type of project and enter your zip code. In most cases, customer reviews are also listed to help you choose the right contractor for you.*

*Avista does not endorse or recommend any of the listed dealers or contractors. We have simply compiled this list based on certain objective qualifications, such as insurance and licensing. The selection of any dealer or contractor is solely your responsibility and Avista is not responsible or liable for any work performed by your chosen dealer or contractor, or the charges associated with such work. Avista recommends that you follow the Better Business Bureau guidelines of obtaining at least three (3) bids from qualified service personnel.
