

Shop and save the most
on energy-efficient
appliances.

AVISTA[®]

Have you tried
Avista Marketplace?

A smart place to shop for energy-efficient appliances.

Need a new thermostat, furnace, water heater or other energy-efficient appliance? The Avista Marketplace lets you compare product features, read reviews and find the best prices at your favorite retail outlets. It also shows which qualify for money-saving rebates from Avista. You can request price-drop alerts by email or purchase online, too.
