AVISTA

Discover our at-home shopping options.

These days, it is a bit more challenging to go shopping than it used to be. Let Avista help with two convenient ways to shop at home.

The Avista Marketplace

Enjoy one-stop online shopping for energy-efficient appliances and electronics. It lets you do side-by-side feature comparisons and see competing retailer prices. You can also receive email price-drop alerts and get home delivery. Visit marketplace.myavista.com

Furnace Filter Replacement Program

Improve your furnace's efficiency with three options: 3-month reminders to change filters, money-saving filter coupons, or purchase and regular delivery of filters right to your door. Sign up at myavista.com/changemyfilter
