

**Does it
pay off
to install
solar?**

AVISTA®

See if rooftop solar makes sense for you.

Avista offers online tools to estimate your upfront costs, calculate potential savings and much more. Look for the following helpful resources at **myavista.com/solarassistance**.

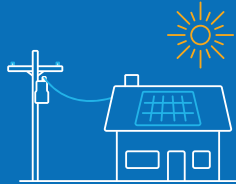

Avista's Solar Estimator

Gives you a high-level idea of the cost vs. benefits trade-off.

Avista's Find a Contractor

A tool to identify experienced contractors serving your area.

Net Metering

Learn how you may be eligible to “bank” credit for electricity you don’t use.

If you still have questions, let us help. Contact **solar@avistacorp.com**. Also learn about Avista’s clean energy goals at **myavista.com/greener**.
